## Acura NSX Supercar MusiCares Custom Edition Base Price: \$220,000

Created to bring a new experience to the supercar segment, the next-generation Acura NSX challenges conventional beliefs about supercars just as the original did over 25 years ago.

### The 2017 NSX features:

- A first-of-its-kind hybrid powertrain (Acura exclusive Sport Hybrid Super Handling All-Wheel Drive™)
- Twin-turbocharged V6 engine paired to a 9-speed dual clutch transmission
- Maximum Total System Power of 573 horsepower and 476 lb.-ft. of torque
- Top speed of 191 mph
- Lightweight multimaterial body structure
- Advanced aerodynamics
- Driver-centered cockpit
- Only supercar designed, developed and manufactured in the U.S. using globally and domestically sourced parts
- Named Road and Track Magazine's 'Performance Car of the Year'

---

*The one-of-a-kind MusiCares NSX was customized by the NSX lead exterior designer, Michelle Christensen, exclusively for the 2017 Person of the Year charity auction.*

---

### The MusiCares NSX features:

- Berlina Black exterior • Ebony interior with Semi-Aniline Full Leather Power Seats
- 9-speaker, 580 watt ELS Studio® Premium Audio system
- Carbon fiber interior package including carbon fiber steering wheel and meter housing

In addition, the MusiCares NSX includes the following custom modifications:

- Black carbon ceramic brakes with red 'NSX' detail
- Black signature Y-Spoke wheels with red pocket accents
- Red accents on carbon fiber front spoiler, rocker panels and lower diffuser
- Red tinted carbon fiber engine cover
- Smoke tinted taillights
- Custom red interior stitching on seats, floor mats and center console
- NSX embossed headrests
